

To Whom It May Concern,

My name is Cynthia Hart, and I live in San Diego, Ca. I am writing in regards to the possible change in the LPFM expansion over the FM translator service. I currently listen to K-LOVE 100.1 FM and have for many years (at least ten or more) on a daily basis. K-LOVE is the most "family friendly" station and is also commercial free. K-LOVE promotes positive and uplifting messages and music for the general public.

K-LOVE has/is also one of the few means in which the community is able to be updated to current events and information in our area, particularly in the faith based arena. Over the years, through raising my children as a single parent, tragedy of the loss of family members, stress of living on a limited income, and all the many ups and downs of life - KLOVE has been the one constant that has virtually saved me from the brink of hopelessness by constantly reminding me of the love and hope of Jesus Christ. I know this is true for many in my family and the community - it would be a tragic loss to San Diego and myself personally to lose this valuable radio station.

In closing, I want to urge you to NOT expand the LPFM at this time.

Thank You for your consideration,

Respectfully,

Cynthia Hart
